BUSINESS ANALYSIS | DATA ANALYTICS | BUSINESS INTELLIGENCE

Second-year BCIT Business Information Technology Management student with hands-on experience using Power BI, SQL, Python, Pandas and Excel. Combines academic project leadership and data quality analysis with retail supervisory experience in inventory, transaction accuracy and daily operations.

EDUCATION

Diploma in Business Information Technology Management
British Columbia Institute of Technology (BCIT), Burnaby, BC | Sep 2025 - Expected 2027

TECHNICAL SKILLS

Data and analytics: Power BI, SQL, Python, Pandas, Excel, data profiling, cleaning and validation

Business analysis: Data dictionaries, governance case analysis, RACI matrices, business research

Tools and delivery: Visual Studio Code, Jupyter Notebook, Microsoft Project, Word, PowerPoint, project scheduling and team coordination

SELECTED ACADEMIC PROJECTS

Cafe Sales Data Profiling | Python, Pandas, Jupyter Notebook

- Examined dataset structure and data types; measured missing values and identified ERROR and UNKNOWN entries to assess completeness and validity.
- Checked distinct values, duplicate records and transaction IDs; summarized quality issues to guide data cleaning and validation.

Business Intelligence Analysis | Spotify, Airbnb and Climate Data

- Analyzed Spotify Top 10,000, Airbnb and Abbotsford climate datasets through coursework, using filtering, aggregation and comparisons to answer analytical questions.
- Applied Excel and Power BI to explore data and communicate findings; led group work through task coordination, progress tracking and review.

Data Governance Case Analysis | Business Analysis and RACI

- Evaluated revenue and product inconsistencies, missing customer identifiers, disconnected systems, conflicting file versions and privacy concerns in a business case.
- Developed responsibility mapping through RACI coursework and assessed how data ownership and quality issues affect business decisions.

PROFESSIONAL EXPERIENCE

Supervisor / Assistant Manager | Metro Town Liquor Store
Burnaby, BC | 2026 - Present

- Coordinate daily floor operations and team support during busy shifts, balancing customer needs, inventory tasks and store procedures.
- Handle cash, POS transactions and inventory counts; help identify pricing and product-record discrepancies and communicate issues for correction.

Sales Associate | West Coast Liquor Store
Burnaby, BC | Jan 2025 - Dec 2025

- Served 50+ customers per shift, processed transactions and supported stock replenishment while following age-verification and store procedures.

ADDITIONAL QUALIFICATIONS

Training: SIMnet certificates in Microsoft Excel and PowerPoint | **Languages:** English and Farsi

Volunteer: Swim BC Divisional Championships, Timekeeper | 15 hours, Jun 2024
